

Northern Utah Veterans Nursing Home Donation Form

The Utah Department of Veterans is soliciting contributions on behalf of Utah's veterans for the purpose of providing funds to assist with construction and furnishing for the Veterans Nursing Home currently under construction in Ogden.

Any such funds contributed may be specifically restricted as to their expenditure by you as the contributor. Funds may also be unrestricted, or left to the discretion of the Advisory Committee to direct their expenditure for necessary furnishings, equipment, or amenities, so long as these funds are spent only for the Northern Utah Veterans Nursing Home or veteran residents residing therein.

Appropriate recognition is authorized for all contributors. Individuals or organizations contributing \$100 or more, in cash or in kind, will have their name engraved on a permanent "Donor Recognition and Thank You" display in the lobby of the facility. Room "sponsorships" are also available and an individual engraved plaque will be permanently displayed on the wall outside the resident's room recognizing your support and generosity. You are invited to inquire about various contributor levels.
